## Lower for longer? Adapting to Changing Tides in Global Fixed Income Markets

In today's undoubtedly challenging environment for fixed income investors, opportunities are still available to those able to loosen the constraints of their bond portfolios to keep their incomes high, reduce their risk, and stay ahead of inflation.

We will present you our approach to global fixed income markets and how you can still benefit from today's global markets.

### PGIM Investments

At PGIM Investments, we consider it a great privilege and responsibility to help meet the financial needs of investors by offering strategies that invest across the global markets. We are part of PGIM, Inc. (PGIM), the global investment management business of Prudential Financial, Inc. (PFI)\*—the 10th-largest asset manager globally\*\* with over \$1 trillion in assets under management (as at 30 June 2019), and a company that individuals and businesses have trusted with their financial future for over 140 years. This scale and investment expertise allow us to deliver PGIM Funds—a diversified suite of actively managed strategies across a broad spectrum of asset classes and investment styles. PGIM Funds plc is an Ireland-domiciled UCITS umbrella fund serving institutional and wholesale investors across the globe. For a full list of funds available in your region, visit [pgimfunds.com](http://pgimfunds.com).

### Gabriel Doz

Gabriel Doz, CFA, is a vice president and retail portfolio strategist for Europe, the Middle East, and Africa (EMEA), supporting PGIM Investments' European Financial Intermediary Group (FIG) in the development of PGIM Fixed Income's subadvisory capabilities and UCITS platform.

Before joining the firm in 2016, Gabriel was a senior vice president at PIMCO, where he maintained and developed relationships with the firm's large institutional EMEA clients. Previously, he was a discretionary portfolio manager at Société Générale Gestion in Paris and held various roles at Amundi Asset Management and RBC Dexia Investor Services.

Gabriel has a bachelor of science degree from Northeastern University and a master of science degree from NEOMA Business School, and he holds the Chartered Financial Analyst (CFA) designation.
