

Convertible Bonds, A Safer Way of Equity Investing

This session will help multi-asset investors to understand the convertible asset class, why should they invest and how should an investor access it. We believe that convertibles remain strong on a risk-adjusted basis and have the ability to generate strong returns in early recovery periods.

Nicolas Crémieux

Nicolas joined Mirabaud Asset Management in 2013, bringing over 20 years' experience in the portfolio management industry. He was previously Head of Convertible Bond Management at Candriam. Nicolas is a CEFA charterholder (EFFAS) and holds a Master's Degree in Finance and a Master's degree in Insurance and Risk Management from the University of Paris Dauphine.
